Superior Court Calendar

The calendar day proceedings in the Superior Court on Monday were of an interesting nature.

In Judge Seawell's department the proceedings were as fellwas:

The case of the State against Andy Corrillo, charged with assault with a deadly weapon, was dismissed upon motion of the district attorney on ground of the insufficiency of the evidence to convict.

Default was entered in the divorce suit of Ella O'Neill vs. Alfred O'Neill, and the trial was set for March 16. A similar order was made in the suit of Clara Tibbetts vs. Charles Tibbetts.

Default was entered in the suit of Albert Moll vs. Mrs. E. Moll, and it was continued to March 16 to be set for trial.

The action of Harwood vs. Haehl was dismissed, as settled without cost to either party.

The life estate of Martha Winkler was declared to have terminated.

The demurrer to the amended complaint was overruled in the suit of John D. Hinshaw vs. John J. White.

In the case of the State vs. H. B. Newton, on appeal from the Recorder's court of Petaluma, growing out of his arrest and fine for soliciting orders for merchandise, the court heard argument and granted a new trial. Later the case was dismissed.

The suits of Lichau vs. Lichau, O'Brien vs. Batchelor, were continued to March 16; Trese vs. Peterson, to March 23.

In Judge Denny's department Emile Bachman was named administrator on the estate of Herman Baehman in a bond of $3,310. The same administratrix was named on the bond of Mary Backman in a bond of $316.

These matters were continued: Dolcini vs. Dolcini, Overton, Hamilton vs. Wilson, to March 16.

THOUSANDS PERISH

Thousands perish every year from consumption resulting from a cold. Foley's Honey and Tar cures the most obstinate racking coughs and expels the cold from your system and prevents consumption and pneumonia. It has cured many cases of incipient consumption. L. S. Simmons.

Mark Twain on Prohibition

"Crossing the Atlantic with Mark Twain last summer," said a W. C. T. U. woman, I asked his opinion of the prohibition law. His reply was very characteristic, very humerous.

"I am a friend of temperance, and want it to succeed,' he said, but I don't think prohibition is practical. The Germans. you see, prevent it. Look at them. I am sorry to learn that they have just invented a method of making brandy out of sawdust. Now what chance will prohibition have when a man can take a ripsaw and go out and get drunk with a fence rail? What is the good of prohibition if a man is able to make brandy mashes out of the shingles on his roof, or if he can get delirium tremens by drinking the legs off the kitchen chairs?'"
—New York Sun.

A Narrow Escape

Many people have a narrow escape from pneumonia and consumption as a result of a cold that hangs on. Foley's Honey and Tar cures coughs and colds no matter how deep seated and prevents pneumonia and consumption. Refuse substitutes. L. S. Simmons.

Provides for Juvenile Court

Judges Denny and Seawell, sitting en banc in Department One of the Superior court, Friday morning, March 6th, adopted the following order, and it was spread upon the minutes of the court. It names prominent citizens of Sonoma county to act in the capacity for the control, protection and treatment of dependent children. The order is as follows:

"It appearing to the court that the hereinafter named persons are citizens of the county of Sonoma, and are persons of good moral character, it is therefore ordered that said persons be and are hereby appointed the probation committee in and for said County of Sonoma, in accordance with the provisions of an act entitled an act "Defining and providing for the control, protection and treatment of dependent and delinquent children," approved February 26, 1901, and as thereafter amended. Said committee shall consist of the following named persons:

"Mrs. H. G. Hahman, Santa Rosa, Cal.; Mrs. John Wagnon, Sonoma, Cal., Mrs. John Fritch, Petaluma, Cal.; C. C. Belden, Santa Rosa, Cal.; A. C. McMeans, Santa Rosa, Cal.; John P. Plover, Santa Rosa, Cal.

"It is directed that this order be entered on the minutes of the court."

Will Build Summer Home

Rudolph Spreckels has recently let the contract to build a handsome bungalow on the Sobre Vista ranch which is located between this city and Glen Ellen. The bungalow which is to cost $20,000, is to replace the fine manston that was destroyed by fire several years ago.

Some idea of the dimensions of the bungalow can be realized when it is stated that there is to be a living [illegible] dining room is 26x30 feet. There are a number of suites for guests and other rooms, the whole idea of the bungalow being a place where a hospitable host can dispense hospitality with lavish hand. The building will have porches twenty-four feet wide surrounding it. There will be a number of Ionic columns, which will set off the general design of the structure. It will be a delightful summer residence and everything will be completed with much attention to details.

J. O. Kuykendall of Santa Rosa has the contract. Work will commence immediately and will be rushed to completion.

A CARD

This is to certify that all druggists are authorized to refund your money if Foley's Honey and Tar fails to cure your cough, heals the lungs and prevents serious results from a cold. Cures la grippe, coughs and prevents pneumonia and consumption. Contains no opiates. The genuine is in a yellow package. Refuse substitutes, L. S. Simmons.

C. S. Farquar Dead

C. S. Farquar, a former well-known attorney of this county passed away at his home in San Francisco last Friday morning after a lingering illness. He was formerly prominent in Sonoma county politics. The funeral took place in Petaluma last Sunday morning.

A Life at Stake

Your life may be at stake when you notice any sign of kidney or bladder trouble as Bright's disease and diabetes start with a slight irregularity that could be quickly cured by Foley's Kidney Remedy. Commence taking it at the first sign of danger. L. S. Simmons.

Beat Rose's Record

Ralph Rose, the Healdsburg giant, no longer holds the twelve-pound scholastic record. A. Stipp of Mercersburg Academy in Pennsylvania, competing in the Middle States championships at Philadelphia, succeeded in lowering the mark held for a number of years by Rose.

A treaty of arbitration between the United States and Mexico has been agreed upon and will be signed in a few days.

NOT SOON BUT NOW

Buy a lot in the Loustalet's subdivision to City of Sonoma, within a block of the plaza, on main business street. These lots are most convenient business and residence lots in Sonoma.

As a sure and safe investment there's nothing equal to gilt edge real estate—in a growing city.

As a profitable investment nothing equals real estate in Loustalet's sub-division, for these lots are gilt edge and Sonoma is a growing city.

Make a list of the rich men of the State and you'll find the bulk of their fortunes were made in real [illegible] They bought [illegible] property was low and sold when it was high.

They were far-sighted—they were careful to buy in locations where [illegible] would naturally go and thus force advance in prices—they bought where public improvements were about to be made, or where the demand for high-class residence property caused a rise in values.

The time to buy is now—to day—while prices are low—at the price made by the original seller.

Don't wait to buy from those who'll buy today—make that profit yourself.

Cash or installment—no interest—no taxes. Investigate now before the lots are all sold. Call or address, THE EXPOSITOR, Sonoma, Calif.

Dairy Sold

Antone Grisez and John Amstalden have bought out the interest of Peter Siegrist in his fine dairy and cheese factory at the foot of Sonoma Mountain, west of Sonoma. Mr. Siegrist and family will move to Santa Rosa to reside.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, by constantly faining to cure with local treatment pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O.

FRIDAY, MARCH, 13, 1908

To Our Subscribers

The following new regulation has been adopted by the United States Post Office Department:—

Sec. 436.—Paragraph 3—A reasonable time will be allowed publishers to secure renewals of subscriptions, but unless subscriptions are expressly renewed after the term for which they are paid, within the following periods.

Dailies, within three months;

Tri-weeklies, within six months;

Semi-weeklies, within nine months;

Weeklies, within one year, etc., they shall not be counted in the legitimate list of subscribers, and copies mailed on account thereof shall not be accepted for mailing at the second-hand postage rate of one cent a pound, but may be mailed at the transient second-class postage rate of one cent for each four ounces or fraction thereof, prepaid by stamps affixed. The right of a publisher to extend credit for subscriptions to his publication is not denied or questioned, but his compliance or non-compliance with this regulation will be taken into consideration in determining whether the publication is entitled to transmission at the second-class postage rates."

Delinquent subscribers will thus see that we cannot lawfully extend credit on subscriptions for more than one year and we would respectfully ask those knowing themselves to be in arrears to come in and pay up before April 1, 1908, when the new ruling goes into effect.

We also at this time desire to call your attention to the fact that all subscribers who pay up in advance during this month of March, are entitled and will receive free The American Farmer, an agricultural magazine of national reputation free for one year. Now is the time to pay up. Now is better than later. A large number of our subscribers have already taken advantage of this offer and will receive The American Farmer free for one year, beginning with the March number 1908.

Sonoma Valley Booming

Sonoma Valley's claim of being a choice place of residence both for health and opportunities for making a decent living, are fast becoming recognized. Notwithstanding all the untoward conditions that are at present besetting the financial and business world, in Sonoma City and adjacent territory, the sales of real estate reported by the four agents here, namely, D. H. Twing, Arthur T. Skinner, Otto Wagner and Thos. H. Baines of El Verano are good and improving right along and the contracts for buildings to be erected and now in course of construction in this city and valley, amount to over $250,000.

Such facts and conditions as these ought to put an eternal quietus on that too often used and untrue expression "poor old sleepy Sonoma."

Mrs. Hauto Receives Check

Mrs. J. P. Hauto has received a check for $2,000 from the A O.U. W., on account of the death her husband who was a member of that beneficiary organization. The late Capt. J. P. Hauto died nearly a year ago and the delay was occasioned by a mistake in the name in reporting the death. Considerable time was necessarily consumed in administration and after all records had been perfected, the check was forwarded.

The A.O.U.W. has paid out in this valley since organization, $34,000 in benefits.

BELIEVES PROHIBITION IS UNJUST.

EDITOR EXPOSITOR, Sonoma.

DEAR SIR:—Could you find space in your columns to print enclosed address?

I think it of the highest importance that something should be attempted to enlighten the general public as to the real facts regarding the cure of the evil of inebriety through the method of prohibition. While the facts prove that prohibition don't prohibit on the contrary prevents a legitimate trade with habitual law-breaking, demoralizes court, officers of the law, law-makers, as well as citizens at large of the communtity—at the same time strikes a blow at the prosperity of the country by striving to obliterate the manufacture of whiskey, beer, wine and cider, all alcoholic beverages.

To give an idea of the magnitude of the interests attacked by prohibition here are a few statistics concerning the brewers and distillers of the United States:

Brewers, maltsters, and distillers of tee United States expend yearly for:

36,351,975 bushels of corn	$27,274,208 00
62,760,000 " " barley	62,760,000.00
5,595,000 " " rye	3,916,000.00
Sugar products, hops, and assorted grains	16,358,000.00
Labor (for production only)	54,512,000.00
Coal and fuel	5,000,000.00
Lumber, material of all kinds, machinery, etc.	150,000,000.00
Fire insurance premiums	15,000,000.00
Railroad freights and expenses	20,000,000.00
Annual State and Government licenses	68,875,465.00
City licenses, real estate and property taxes	70,000,000.00
A total of	$493,726,532.00

These figures are based upon facts and I think it will pay every one to ponder well upon them.

The continued growth of the prohibition movement tends to the destruction of the brewing and distilling industries, as well as the vineyard and largely the apple interests for which you may safely add another $50,000,000.00 to above sum making the grand total of $543,700,000.00 yearly expenditure.

The allied trades in all lines of manufactures will be made to suffer great losses through the destruction of the market for their product. The unemployed of all the large cities number thousands and are clamoring for food and shelter, and should the prohibition movement be allowed to expand unchecked, many thousands more will be added to the unemployed, loading still more the already overtaxed shoulder of the taxpayer. Should the ill advised prohibitionist succeed, it will jeopardize the livelihood of upwards of four million people and create the greatest financial crisis this country has ever known.

And for what purpose? Simply to continue an experiment already tried for over thirty years in Maine, with the most positive negative results.

The average deaths from alcoholism in the prohibition States of Maine, New Hampshire and Vermont is 2.41 for every 100,000 population, in ten license states it is 1.63.

The censes report shows in nine license States twenty years prior to 1900, a decrease of 34 per cent in deaths from alcoholism, while for the same period of time there was an increase of deaths from the same cause of 53 per cent in the prohibition states.

Why not harken to such men as President Alicot of Harvard, Abraham Lincoln, U. S. Grant, John Quincy Adams, Thomas Jefferson, Jeff Davis and hundred others of good repute? None of these admit the possibility of legislating morals into a community.

Besides it seems to me a questionable morality that can only exist by a big club being held over its head to keep it it the "straight and narrow" path. "Eyes have they and see not, ears have they and hear not," brains have they but think not!

Here is nothing wrong, immoral or harmful in drinking wine, cider, beer or whiskey, no more than there is in drinking water, milk, tea or coffee, but it is immoral, wrong and harmful to abuse anyone or all of these gifts of God. But because there are some—nay many in these United States, who are not gentlemen, who have never learned to curb their appetites, is it reasonable, just or temperate to abolish by law the use of these gifts entirely, as the prohibitionist intends to do? Certainly not. Nor is it just to punish the individual by excessive or prohibitive license for selling these commodities, because some people there are, who abuse their use.

You might as well prohibit marriage or impose a license of $1200 a year upon every minister who performs the ceremony, because forsooth thousands of husbands abuse their wives, not drunkards alone, but ministers, lawyers, merchants, who, sober enough as to the use of alcoholics, are intemperate in other ways.

The law is a weapon which never should be abused by its use in punishing the innocent—it should punish the drunkard, not the vendor of good wine or beer, punish the offending husband or wife, never the innocent minister who officiated at the ceremony, or worse still: try to remedy the evil, suffering and crime attendant on unhappy marriages by prohibiting the institution of matrimony. This would look very much like pouring out the child with the bath!

But this is just what the prohibitionist is trying to do with respect to the liquor traffic.

Yours Truly,
CARL DRESEL.

Aged Pioneer Dies

Mrs. Susana Trueb, a pioneer of Sonoma, passed to her eternal reward at her home in San Francisco last Monday morning. She came to Sonoma with her husband in early days and will be remembered by many old settlers in the valley.

Mrs. Trueb was an estimable lady, honored and respected by all who knew her. She was a native of Switzerland, aged 82 years, 10 months and 6 days. She was the widow of the late Henry Trueb.

After the funeral services in the metropolis the remains were brought to this city Wednesday morning. The interment was in Mountain Cemetery.

The time limit for filing nominations expires to-night at midnight.

Another Newspaper

Ande Nowlin, former editor of the Windsor Herald, has started a paper in Healdsburg called the "Sotoyome Scimetar." Mr. Nowlin is a fearless and able writer and will no doubt make a success of his new venture.

New Enterprise Here

It has been persistantly rumored about town that a new creamery is to be started here in the very near future. Such an institution is needed here and would no doubt prove a profitable investment.

Dividend Declared

At a meeting of the directors of the Cloverdale Citrus Fair last week, a dividend of $6 per share was declared on all stock. This is the first dividend ever received by any of the stockholders, many of whom have held stock in the association for sixteen years. The matter was thoroughly discussed by a number of shareholders and it was deemed that the best interests of all would be subserved by declaring the dividend. Nearly $2,000 will be distributed as a result of the action taken—Reveille.

Death of a Pioneer Lawyer

Corydon Carmenus Sprague, a pioneer of 1850, passed to the higher court above, where no contention ever arises, at his home in this city Monday morning, March 9, 1908.

Mr. Sprague was born in Cayuga Co., New York, July 4, 1822. He came to California across the plains in 1850, and for a time mined in Tuolume Co., thence he removed to Oregon where he was married in 1859 to Miss Charlotte Sibley. Four years after Mr. and Mrs. Sprague migrated to Yolo Co. Calif., where the deceased practiced law for forty years. Although long since retired from active practice, Mr. Sprague's record as a successful attorney is very creditable indeed. Out of forty-three cases in which he was interested and which were appealed to the Supreme Court of this State, he won thirty-nine, as the records show.

He was a fearless advocate, a true friend, a wise counselor, an upright and honorable citizen.

Deceased leaves a widow and three children to mourn the loss of a loving and generous husband and father. The children are Hon. Frank F. Sprague, Dr. Fred S. Sprague and Miss Helen Sprague. The remains were taken to Oakland where they were cremated Tuesday evening.

His offer was $51 for the jail which he is to tear down and remove No further business appearing, the Board adjourned to meet the first Wednesday in April.

Justice Court Busy

Justice of the Peace, Jos. B. Small had a busy day last Wednesday trying offenders of the law brought in by Constable Jos. F. Ryan. That energetic officer had rounded up four men who had run counter "to" the peace and dignity of the people of the State of California.

One Chas. Williams, accused of having stolen an old pair of shoes, an old hat, a half dozen eggs, a bar of soap, the goods being found upon him at the time of his arrest, was given the alternative of $30 fine or 30 days in the county jail. The latter penalty was chosen.

Jos. Deasy was the second offender brought before the bar of justice. He was charged with vagrancy and disorderly conduct, he being an old offender, was given a chance to lodge at Hotel de Smith for 60 days, after entering a plea of guilty as charged.

Judgment on the other two vagrants was suspended, they being given a few minutes to leave town. They took no chances on the time limit.

THE FIRST LETTER

A Woman Writes.

THE FIRST LETTER that a sick woman should write or have some one write for her is to Dr. Pierce, of Buffalo, N. Y., asking him if "FAVORITE PRESCRIPTION" is suitable for her case, and he will frankly tell her so if he thinks it is. He may have to ask some questions before he can be sure just what the trouble is.

If you are suffering from uterine disease, the symptoms of which are headache, backache, sideache, pain in various parts of the body, especially in the pelvic region, bearing-down, inflammation, ulceration, then Dr. Pierce will advise you to use his "FAVORITE PRESCRIPTION" for he has had a wonderful experience in the use of this remedy. It is NOT A PATENT MEDICINE but it is a VERITABLE PRESCRIPTION that became his "favorite" when he was engaged in private practice forty years ago and found that it cured more than ninety-eight out of every hundred of all such cases that came under his care.

The doctor found scores and hundreds of women who were being improperly treated because their troubles were not understood, and he determined to place this remedy that he had used so successfully within reach of the multitudes who were in such sore need of it.

He made it efficient, agreeable to taste, and, best of all, safe for any woman, old or young, to use. It is NEITHER A STIMULANT NOR A NARCOTIC, just a vegetable tonic, and invigorating nervine, composed of native roots of remarkable medicinal virtue in the treatment of this class of diseases, and its RECORD OF MORE THAN HALF A MILLION OF CURES entitles it to full confidence.

The one medicine for the cure of woman's peculiar weaknesses and ailments, the ingredients of which are printed and placed upon every bottle leaving the great Laboratory in Buffalo, N. Y., where it is made, is called Dr. Pierce's Favorite Prescription.

It Stands Alone not only in respect to its ingredients being known, but also as the only specific advertised remedy for woman's diseases which absolutely CONTAINS NO ALCOHOL.

It Stands Alone as the one medicine for women, the makers of which take their patients fully into their confidence and tell them exactly what they are taking. This Dr. Pierce can afford to do, because his "FAVORITE PRESCRIPTION" is made of such ingredients and after a working formula that has thousands of cures to its credit, placing its merits above criticism.

"I suffered with ovarian trouble for many months until I became quite discouraged, as there was scarcely a day when I was not in pain and my health was simply a wreck," writes Miss Olive Hessler, of Syracuse, N. Y. "I read one of your advertisements and decided that I would try Dr. Pierce's Favorite Prescription, as it seemed to have helped so many who were suffering as I did. I found relief after using two bottles, and a cure in three months—from what I considered was incurable. I am very grateful, and so pleased with my recovery. Life looks different to me now, and I shall always give the credit where it belongs—to Dr. Pierce's Favorite Prescription."

Pierce's Pleasant Pellets These ORIGINAL Little Liver Pills, first put up by old Dr. R. V. They speedily relieve and cure foul, torpid and deranged Stomachs, Livers and Bowels and their attendant distressful ailments. One or two a laxative, three or four a cathartic.

To relieve the worst forms of Rheumatism, take a teaspoonful of the following mixture after each meal and at bedtime:

Fluid Extract Dandalion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

These harmless ingredients can be obtained from our home druggists, and are easily mixed by shaking them well in a bottle. Relief is generally felt from the first few doses.

This prescription, states a well-known authority in a Cleveland morning paper, forces the clogged-up inactive kidneys to filter and strain from the blood the poisonous waste matter and uric acid, which causes Rheumatism.

As Rheumatism is not only the most painful and torturous disease, but dangerous to life, this simple receipt will no doubt be greatly valued by many sufferers here at home, who should at once prepare the mixture to get this relief.

It is said that a person who would take this prescription regularly, a dose or two daily, or even a few times a week, would never have serious Kidney or Urinary disorders or Rheumatism.

Cut this out and preserve it. Good Rheumatism prescriptions which really relieve are scarce indeed, and when you need it, you want it badly. Our druggists here say they will either supply these ingredients or make the mixture ready to take, if any of our readers so prefer.

Orange county cabbage raisers are indignant that the Japs have invaded the cabbage-growing sections and produced cabbages in such quanity that the price has been lowered from $25 to $5 per ton.

How Cough Germs Multiply

When you have a cold the mucous membrane is inflamed and the disease germs which you breathe find lodgment and multiply, especially the pneumonia germ. Foley's Honey and Tar soothes and heals the inflamed air passage, stops the cough and expels the cold from your system. Refuse substitutes. L. S. Simmons.

Wise Talks by the Office Boy Repeated

The Governor says, "A jury is usually twelve men selected to decide which side has the best lawyer." I wish there was some way of selecting a jury to investigate and tell the public, who sells the best hats, underwear, shirts, clothing, etc., in this town. Most people who have lived here for any length of time know, but there are so many new arrivals every day that it's awfully hard for them all to happen into this store and find out for themselves.

But if people want to be on the safe side they needn't look outside of our store for their toggery. You don't have to worry when you trade here.
